Fishing Derby set

Written by Wednesday, 07 March 2001 04:11 -

The Fishing Derby sponsored by the Lassen Sportsmen is set for Saturday, April 21. Only those 16 years old and younger who register for the event can fish on that date, one week before the regular stream fishing opener. Last year, younger anglers fished for trout planted in the wading pool at Susanville's Memorial Park, the staging area for the event.
